### Cylinder Hydro Test Submission Form

The flat rate to hydro test a cylinder is \$25.00. This includes valve removal and installation, as well as O-ring replacement. This does not include return shipping. If there is any damage to the cylinder that requires repair, we will contact you to discuss your options before proceeding with any repair work.

**Your Information:**

Name:				
Address (no P.O. Boxes, please):				
City:				
State:				
Zip:				
Email:				
Phone:				
Quantity of Cylinders:				
Comments/Special Instructions:				
Return Shipping Method (Circle One):	Ground	Next Day Air	Two Day Air	Three Day Air

Please ship the cylinder(s) and this form to the address below. For any questions regarding shipping, please refer to this [blog post](#) or contact us via phone/email (see contact info at bottom of form).

Compressed Gas Systems, LLC  
 13829 Artesia Blvd.  
 Cerritos, CA 90703

We will contact you for payment details once the hydro test has been completed. We will not ship your cylinder(s) back to you until payment is received.

**By signing below, customer acknowledges the following:**

1. Customer will not hold Compressed Gas Systems, LLC (CGS) liable for any damage during shipment.
2. Customer will not hold CGS liable for any cylinder or valve damaged during valve removal due to improper installation or application of thread sealant.
3. In the event of a failed requalification, Customer understands that the cylinder must be condemned per DOT regulations and authorizes CGS to do so.
